

Solutions to Your Problem of Getting to Appointment to Refill Prescription Because of Office Wait Time

You might consider some of the following ways to work on the problem you identified of getting to appointment to refill prescription because of office wait time.

Find different doctor

Ask a friend or family member for the name of a doctor who has shorter wait times.

Ask doctor if there is a shorter wait at different times

Ask your doctor what s/he recommends as the best time to schedule an appointment to reduce the wait time.
